OPEN TO ALL K-12 EDUCATORS

ACCESS INCLUDES:

1

Workshop 1: Bystander Intervention to Address COVID-19 Related Harassment in School Environments

In this 60-minute virtual workshop, you will learn how to safely and effectively respond to COVID-19 related harassment in your school using the 5Ds of Bystander Intervention. Register for free online!

2

Workshop 2: How to Respond for People Experiencing COVID-19 Related Harassment in School Environments

In this 60-minute virtual workshop, you will learn what to do if you experience COVID-19 related harassment and how to determine what kind of response (if any) is the most appropriate action. This workshop will become available as a follow-up after completing Workshop 1.

3

Create Your Own Toolkit: Videos, Flyers, and Guides

Walk away with resources to help you keep your learning fresh, with short animated videos from Woori Show, printable flyers, and downloadable guides that you can open at a moment's notice right when you need them.
